The San Francisco Black Firefighters Association (SFBFA) was formed in 1972 to address issues facing African American members of the San Francisco Fire Department (SFFD). Our association is committed to improving the hiring, promotion, training, and working conditions of its members and of people of color within the SFFD. Our work depends on the generous donations of our friends and supporters. All donations are fully tax deductible and goes towards supporting the efforts of the SFBFA Youth Academy programs. For more information, please contact jdaine312@gmail.com.
